

Helicopter Tours

Your Helicopter Specialists in the Drakensberg and Northern KZN

Come fly with us

(All prices are quoted per person, except the picnic)

Come see parts of this spectacular world heritage site that few others have seen. Take a one hour or a fifteen minute flight, sip a glass of bubbly on top of the peaks or enjoy a high altitude picnic. Let your imagination fly and we'll take care of the rest.

- 1. Scenic Flight:** **R1,700**
From Dragon Peaks up to the main escarpment and back. Approx. 15 minute flight
- 2. Champagne Stopover:** **R2,800**
The same route as a scenic but we land on the Little Berg at around 7000ft for a glass of bubbly. Approx. 20 minute flight + 10 minute stopover
- 3. Round Trip:** **R4,400**
A flight along the escarpment with a Champagne landing. Approx. 40 min flight + 10 minute stopover
- 4. Champagne to Mweni:** **R6,600**
A 1 hour flight along the escarpment with a landing in the stunning Mweni area north of Cathedral Peak. Approx. 1 hour flying + 10 minute stopover
- 5. Romantic Mountain Picnic for two:** **R6,000**
Get flown into the mountains and dropped off for a picnic for two. (Needs to be booked 48hrs in advance)

Excursions

- 1. Game reserves:** Fly to one of the local game parks, then join a professional ranger for a game drive or a horseback ride.
- 2. Battle Fields:** Fly to any number of battle fields in Northern Natal where you will be met by a guide that will give you a recount of the historic battle. Tell us what you want to see and we will arrange it.
- 3. Golf Tours:** Arrive in style at any of the golf courses the Drakensberg has to offer.

Charter

- 1. Airport transfers:** to / from Pietermaritzburg, Ladysmith or Durban.
- 2. Private charters:** to any destination of your choice or ask us to create a package.

Wedding flights

Tying the knot on top of the world - what a great reason to get married or get married on the ground and we'll fly you somewhere special to take your photos.

Please note: All prices subject to change, please contact us to verify the latest pricing. Flights subject to minimum passenger numbers.

Why fly?

Nothing can match the totally exhilarating experience of flying in a helicopter. So sit back and enjoy the scenery with our helicopter flights. They are guaranteed to satisfy and excite!

Do you dream of taking to the skies, but want to try it in an unique way?

There's nothing quite like the thrill of vertical flight, you will experience a real adrenaline rush during a helicopter flight. It is Ideal for anyone looking for a truly unique experience, we offer a number of helicopter flights that are sure to put your head in the clouds.

Usually reserved for the rich and famous, you can become a high flyer for the day with a helicopter flight experience. Your heart will race as the blades begin to spin and you are lifted gracefully into the air, before cutting through the clouds at close to 200kph. Whether you decided to hover over the magnificent countryside of Northern KZN or soar above the Drakensberg peaks, you will get the opportunity to view truly breathtaking sights from a unique perspective.

A helicopter flying experience is guaranteed to leave you feeling sky high, so take an exhilarating flight with Westline Aviation amongst the soaring Peaks of the Drakensberg or the magnificent countryside of Northern KZN.

Experience the thrill of a helicopter flight

It doesn't take an adventurous spirit to enjoy a helicopter tour. If you've ever taken a charter flight you know that air travel is perfectly safe, but helicopters are more exciting, and far more than just mere transportation. Although, they do meet the demands of transportation services.

We are not just a tour and charter company, we offer a variety of services. Below are a few of the options on offer:

- Aerial Photography and surveying
- VIP and Corporate Transport
- Wedding Flights
- Damage Assessment
- Stock Theft Recovery
- Or give us a call and we will cater to your unique requirements
- Aerial Security
- Private Charters
- Tours
- Pipe and Powerline Inspections
- Geographical Inspections
